

Cannes Art Exhibition

15th November 2023 – 15th January 2024 Riva Immobilier

PassepARTout Unconventional Gallery (PUG) confirms its status as an *Unconventional Gallery* by bringing contemporary art into the luxury real estate market, maintaining a well-established partnership with **Riva Immobilier Luxury Real Estate**, a renowned Franco-Italian real estate agency that is a leader in buying and selling luxury apartments and villas throughout the French Riviera, with offices in Cannes and Beausoleil (located just steps from the Casino de Monte-Carlo).

The initiative aims to **promote contemporary art by enriching the living spaces** presented by Riva Immobilier with artworks capable of enhancing the personality of the elegant environments, providing customers with a unique and exciting experience characterized by Italian luxury and comfort.

The project represents one of the new proposals by PassepARTout Unconventional Gallery, in which the gallery, directed and curated by Elena Ferrari, reinforces its commitment to the promotion of art in all its forms. The expertise and over a decade of experience of Paolo Daelli, supervisor at Riva Immobilier, ensure complete reliability and availability in placing the customer at the center of attention.

The **Cannes location**, situated on the **central Rue d'Antibes**, provides maximum visibility for PUG-organized events and the prestige of a refined international setting. Born from the purpose of valorizing the creativity of emerging artists, this fourth edition will offer all participants the opportunity to enter the world of art.
